11.4. *Injunctive Relief.* Vendor acknowledges that the breach or threatened breach by Vendor of the terms and provisions of this Section would cause irreparable injury to the Tribe, which could not be adequately compensated by money damages. Thus, Vendor agrees that Tribe may obtain a restraining order and/or injunction prohibiting Vendor’s breach or threatened breach of these provisions in addition to any other legal or equitable

remedies. Vendor agrees that this provision is fair and necessary to protect the Tribe's unique political and cultural interests, rights, and confidential information.

Any and all liabilities, actual or contingent, which have arisen during the term of and in connection with this Agreement, shall survive the expiration or termination of this Agreement.
- 16.6. *No General Waiver.* Any waiver or failure of the Parties to enforce or insist upon any term in this Agreement does not constitute a general waiver or relinquishment of that term.
- 16.7. *No Construction Against Drafter.* Each party has participated in negotiating and drafting this Agreement. If any ambiguity or question of intent or interpretation arises, this Agreement is to be construed as if the Parties had drafted it jointly, as opposed to being construed against one party because it was responsible for drafting one or more provisions.
- 16.8. *Conflicts.* In the event of a conflict between the terms and conditions of this Agreement and those of a Statement of Work or other exhibit or attachment to this Agreement, the terms and conditions of this Agreement shall be controlling.
- 16.9. *Execution.* This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same Agreement. Party shall be entitled to reasonable legal fees and expenses in addition to any other relief allowed.

19. **Sovereign Immunity.** Notwithstanding any other terms or provisions of this Agreement, Vendor understands and agrees that the Cowlitz Indian Tribe, by entering into this Agreement, does not waive its sovereign immunity from suit, nor does it waive, alter, or otherwise diminish its sovereign rights, privileges, remedies, or services guaranteed by federal law.

20.3 Each task order must incorporate by reference this Agreement. Should there be any inconsistencies between the task orders and the Agreement, the Agreement shall govern and control.

20.4 The term of this contract shall be for an initial period of twelve (12) months, with the option for renewals under the terms and conditions of the original contract, unless either party gives written notification to the other party within sixty (60) days prior to expiration of the then-

- 2.2 Records of conditions above and below ground, water records or other observations which may have been made by or for Purchaser shall be made available to Supplier for its information, upon request, but there is no express or implied guarantee as to the accuracy of such records or any interpretation of them. Supplier acknowledges this disclaimer and that it has formed its own opinion concerning all of these conditions from an inspection of the Jobsite and has made its own interpretation of such records.
- 2.3 Supplier shall secure from Purchaser all information necessary for the performance of the Work prior to commencing such Work.
- 2.4 Supplier shall carefully study and review the Contract and related documents and, prior to commencing any portion of the Work, shall carefully review applicable drawings and specifications and shall immediately provide to the Contract Coordinator Notice of any conflict with Applicable Laws or of any errors, inconsistencies or omissions it may discover.
