Subject: Application for St. Mary's Apartments

Dear Applicant,

Thank you for your interest in Cowlitz Indian Tribal Housing's (CITH) apartments in our beautiful St. Mary's Mission complex. Enclosed is an application for admittance. Complete the application and submit it with all the required documentation to CITH by mail at 107 Spencer Rd, Toledo WA 98591, by e-mail at housing@cowlitz.org or by fax at (360) 864-8722.

CITH will process the application as soon as possible after receipt of the completed application and all required supporting documents, determine if you are eligible for admittance to units assisted with federal funds, and send you a letter of explanation. If qualified, we will then show you the available apartments and help you make arrangements for a UA drug screening. The final step is to sign your rental agreement, get your keys and begin to enjoy your beautiful new home.

As you may or may not know, CITH receives its funding from a federal grant under the Native American Housing Assistance and Self Determination Act of 1997. (NAHASDA) The program is administered by Housing and Urban Development (HUD). The grant is called an IHBG (Indian Housing Block Grant).

Use of IHBG funds by the Cowlitz Indian Tribe is conditioned upon the Tribe's agreement to comply with all of the applicable statutes, regulations, guidance, and policies set out by NAHASDA and HUD. The requirements include but are not limited to written application procedures, limiting assistance to households whose total income is less than 80% of the median income, adequate documentation of income, housing must be drug free, must follow ADA requirements.

Again, thank you for your interest in our HUD housing units. If you have any questions, do not hesitate to contact us by one of the methods listed above.

In 2012, Washington voters approved Initiative 502 which allows limited recreational use of marijuana in Washington State. Under the law, persons 21 years or older may possess and personally use limited amounts of marijuana on private property. The substance can only be purchased at authorized retail establishments licensed by the State.

However, based on federal law, marijuana users are prohibited from admission into Public Housing and Indian Housing programs. HUD rules require all housing authorities that administer rental assistance programs to establish standards prohibiting admission of participants that use controlled substances, including state legalized marijuana and medical marijuana.

Current participants of CITH programs and residents of CITH owned projects are subject to the same provision. Households actively participating in CITH’s rental assistance programs, and all other HUD funded CITH programs will have their program assistance and/or tenancy terminated if there is a preponderance of evidence (if not convicted, termination will still be processed based on evidence) demonstrating the household or member of the household used, possessed, grew or sold marijuana and/or medical marijuana.

Federal and state nondiscrimination laws do not require a Housing Authority to accommodate requests by current or prospective residents with disabilities to use medical marijuana, and may not permit the use of medical marijuana as a reasonable accommodation because: 1) persons who are currently using illegal (federal standard) drugs, including medical marijuana, are categorically disqualified from protection under the disability definition provisions of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act, and 2) such accommodations are not reasonable under the Fair Housing Act because they would constitute a fundamental alteration in the nature of the Housing Authority's operations.

Please acknowledge by your signature below that you have read and understand that all members of your assisted household are subject to CITH’s provisions prohibiting use, possession, growth, or sale of marijuana and/or medical marijuana.
